Things You Should Know

Focus

Agency Preview Sessions are not training. Today, you will see demos of the GA@WORK system and review new business processes.

Data

The data used in today's presentations and demonstrations is not real data. Data is scrambled.

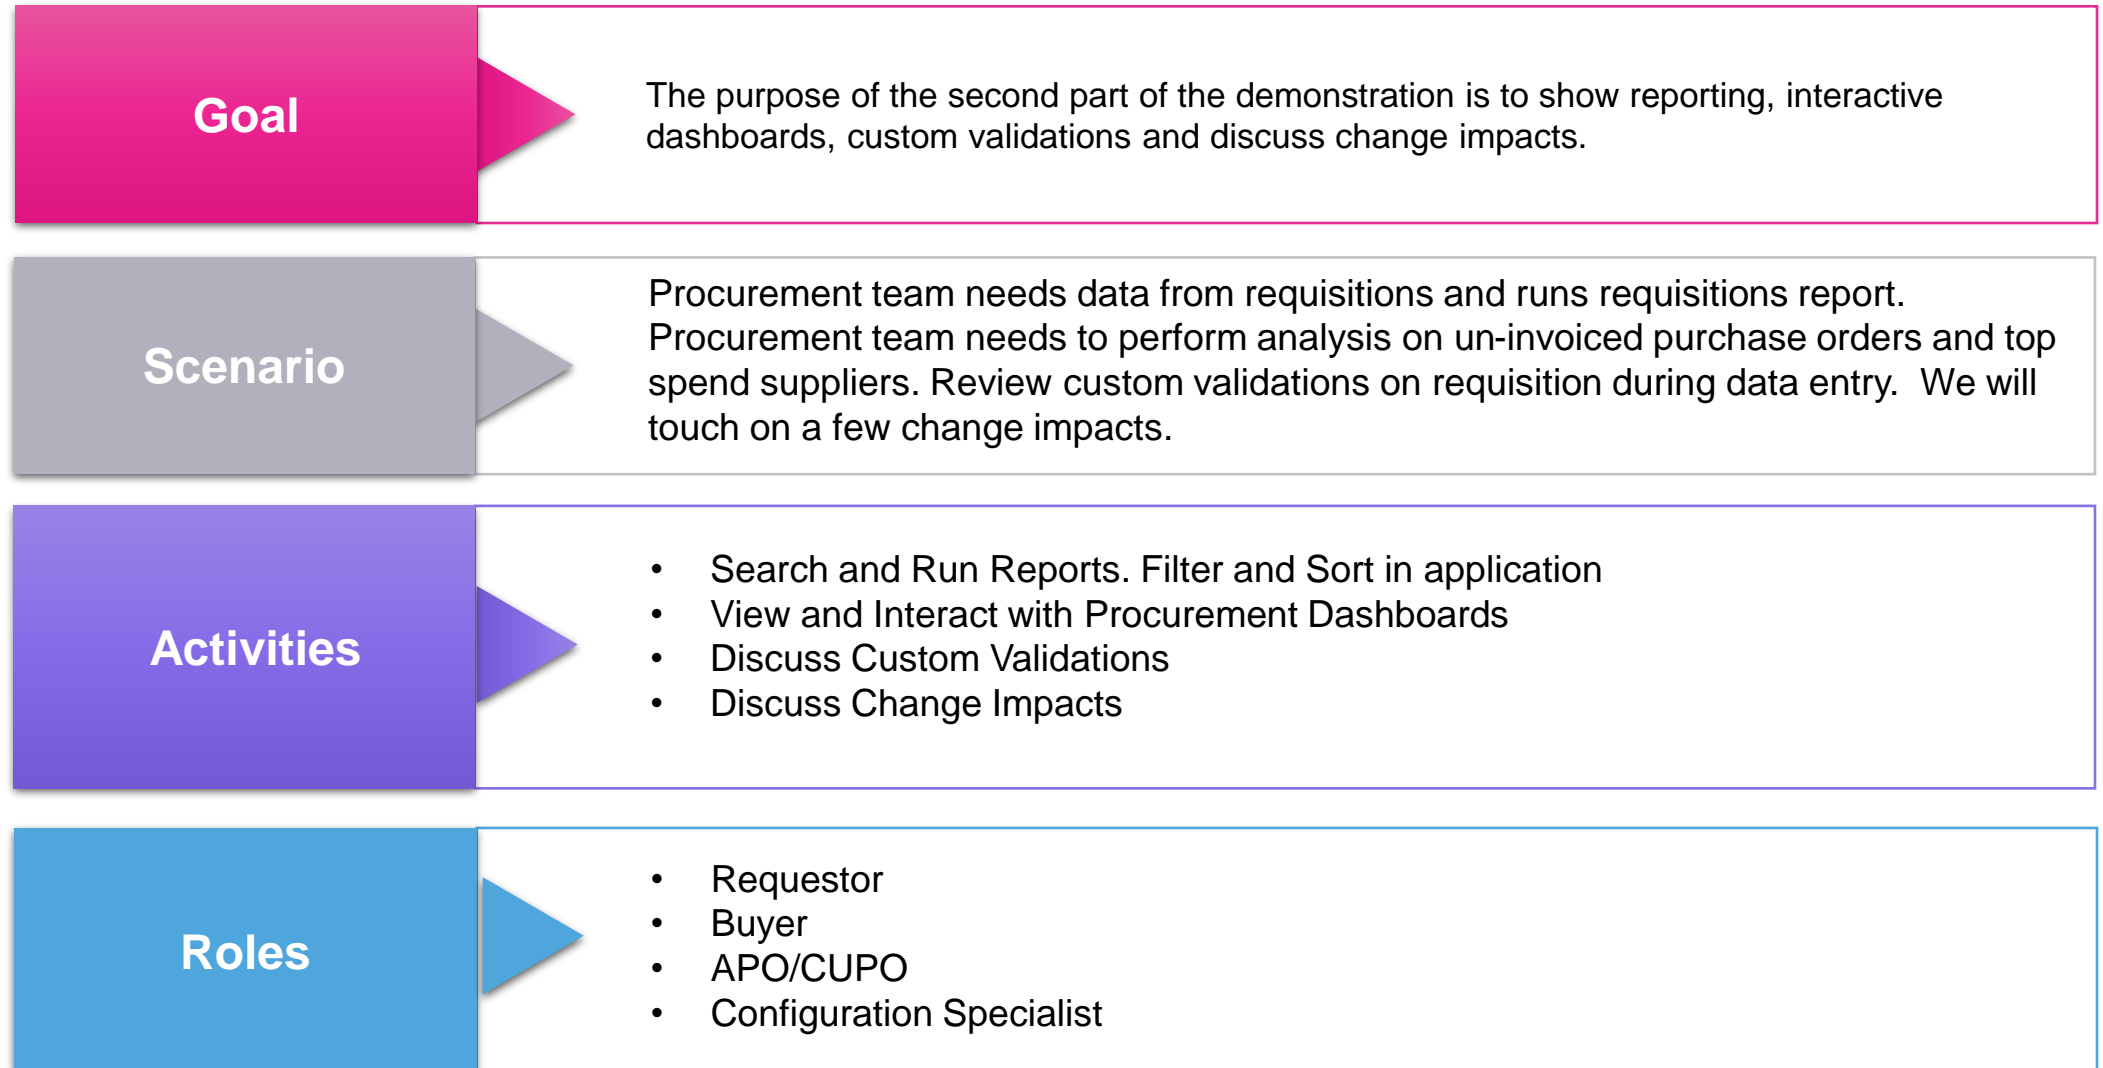

Feedback

Your feedback on what you see and learn today is crucial to the success of the GA@WORK system! To provide your feedback:

- Raise your hand
- Complete the survey questions at the end of this session
- Share your perspective in our testimonial booth!

NextGen Scenario

What's Changing – Requisitions/Purchase Order

TeamWorks / Current Processes

Pre-encumbrance/Do not currently pre-encumber

PO Approval

Auto-Sourcing Catalog PO's

GA@WORK / New Processes

GA@WORK will pre encumber funds during requisition event BP

Enterprise-wide approval model. If req and PO stay same, PO will not go through approval process again since req has been approved.

Jaggaer Catalog PO's will have the ability to be auto-sourced and automatically issued (dispatched) to suppliers.

Let's Take a Look In the System...

Demonstration Feedback

1. Are there any federal requirements that would restrict / invalidate this process? Describe
2. How different is this process from what you do today? (similar, slightly different, majorly different)
3. How excited are you for this change? (1-5 scale)
