Things You Should Know

Focus

This session is not training.
Today, you will see demos of the
GA@WORK system and review new
business processes.

Data

The data used in today's
presentations and demonstrations is
not real data. Data is scrambled.

Feedback

Your feedback on what you see and
learn today is crucial to the success of
the GA@WORK system! To provide
your feedback:

- Raise your hand
- Share your perspective in our
testimonial booth!

GA@WORK - Facts

Complete
cloud-based
solution:
HCM,
Finance,
Procurement

Enhanced
employee
experience that
provides self-
service
capabilities

Real-time data
and insights
into business
operations

Quick access
to tools and
data essential
for you

Welcome to GA@WORK

Let's Take a Look In the System...
